Installation manual, bench with concealed flange

Manuale di installazione, panchina con flangia interna

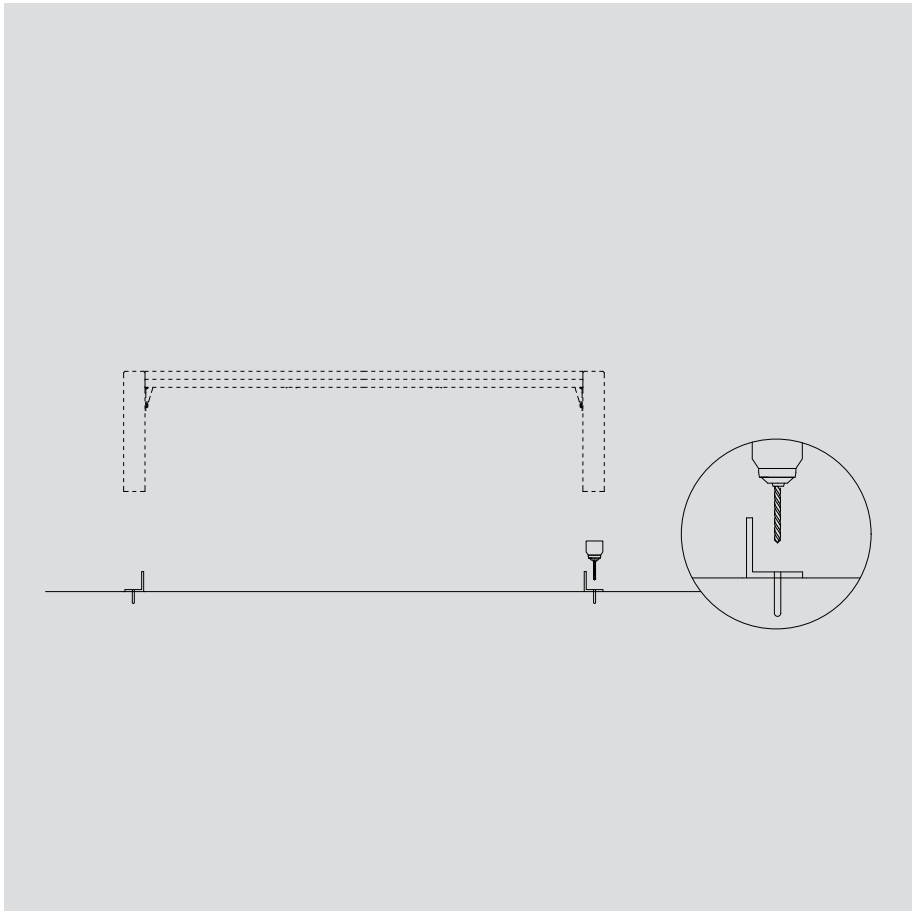

Step 1

Position the bench flanges, ensuring they are spaced correctly. Use a pencil to mark the points where the anchors will be installed.

Passaggio 1

Posizionare le flange della panchina, assicurandosi che siano alla distanza corretta. Segnare i punti in cui piantare i tasselli con una matita.

Step 2

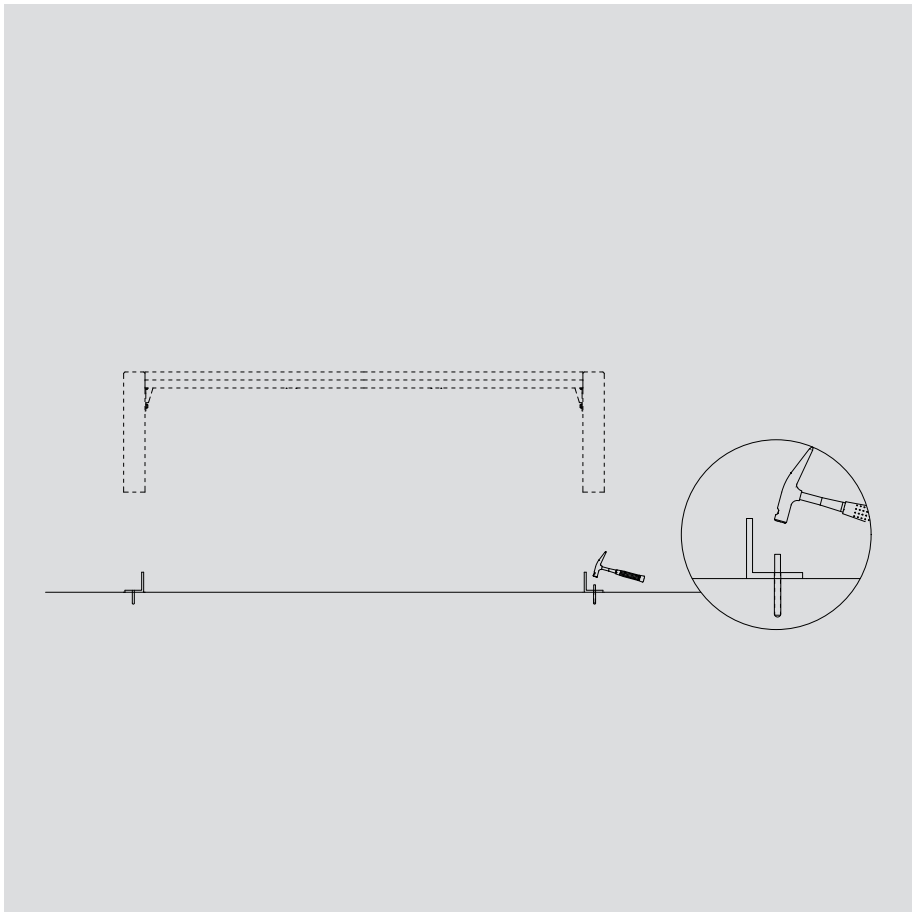

Drill holes at the marked points.

Passaggio 2

Forare i punti segnati con un trapano.

Step 3

Drive in the anchors.

Passaggio 3

Piantare i tasselli.

Step 4

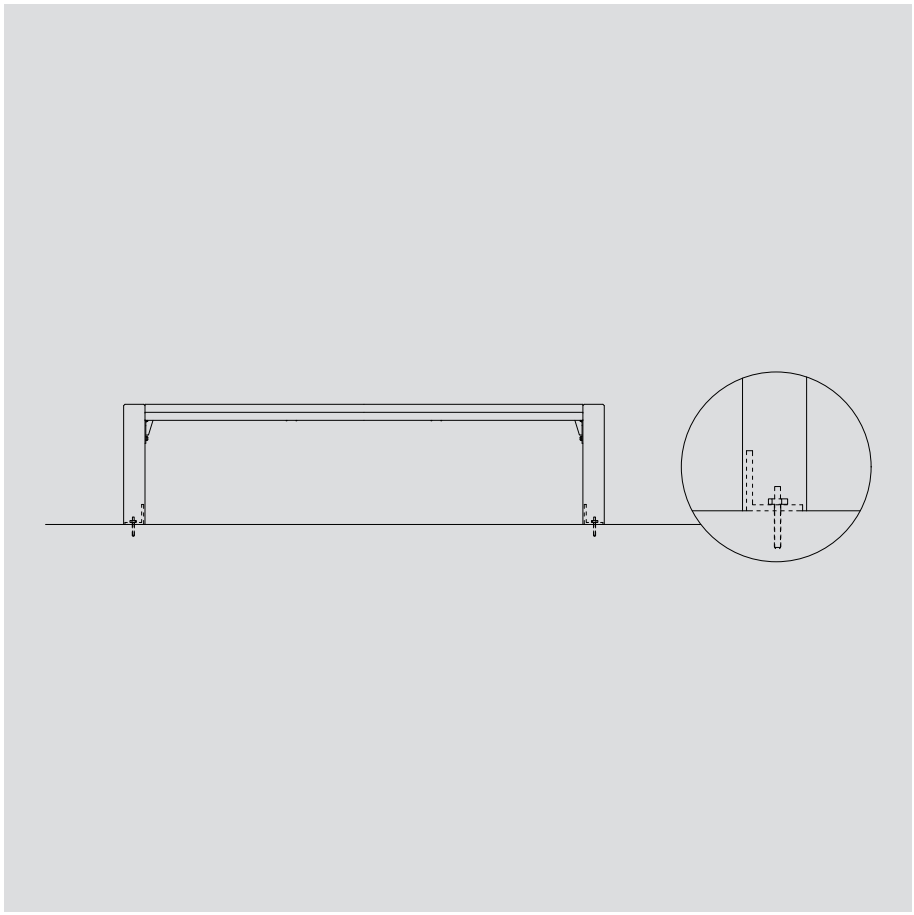

Secure the anchors with caps.

Passaggio 4

Chiudere i tasselli con dei dadi.

Step 5

Position the bench.

Passaggio 5

Mettere la panchina in posizione.

Step 6

Secure the bench by tightening the screws.

Passaggio 6

Fissare la panchina chiudendo le viti.
