Installation manual, flanged litter bin

Manuale di installazione, cestino flangiato

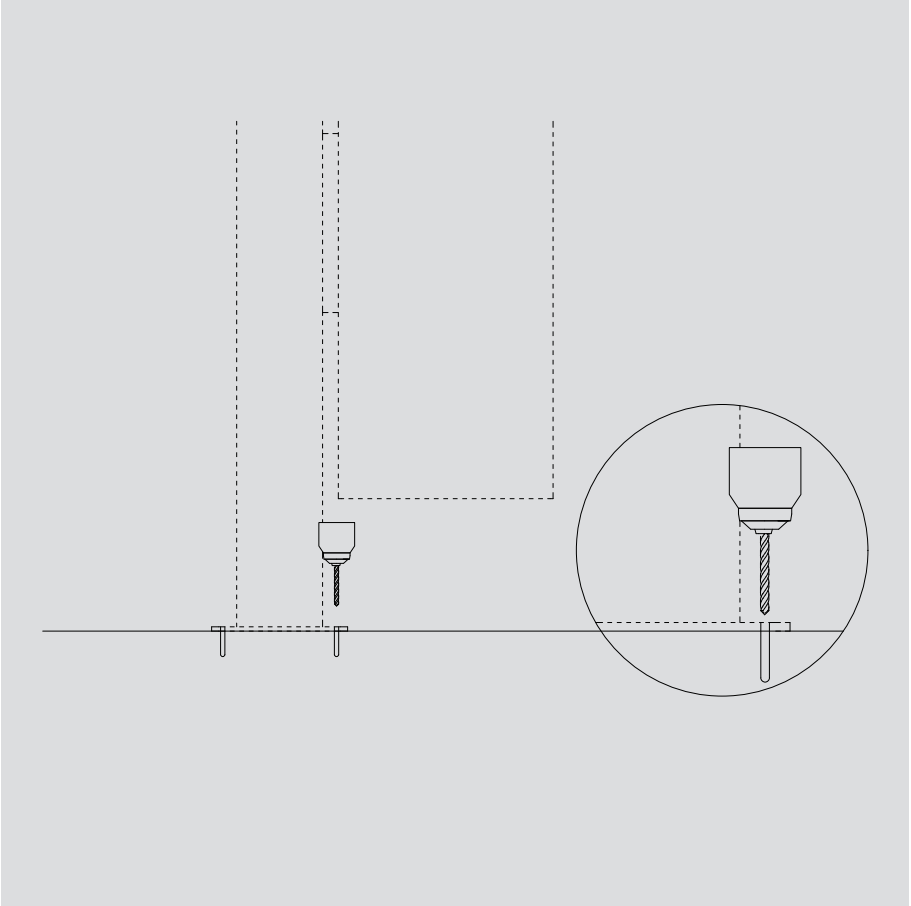

Step 1

Position the litter bin and use a pencil to mark the points where the anchors will be installed.

Passaggio 1

Posizionare il cestino e segnare con una matita i punti in cui piantare i tasselli.

Step 2

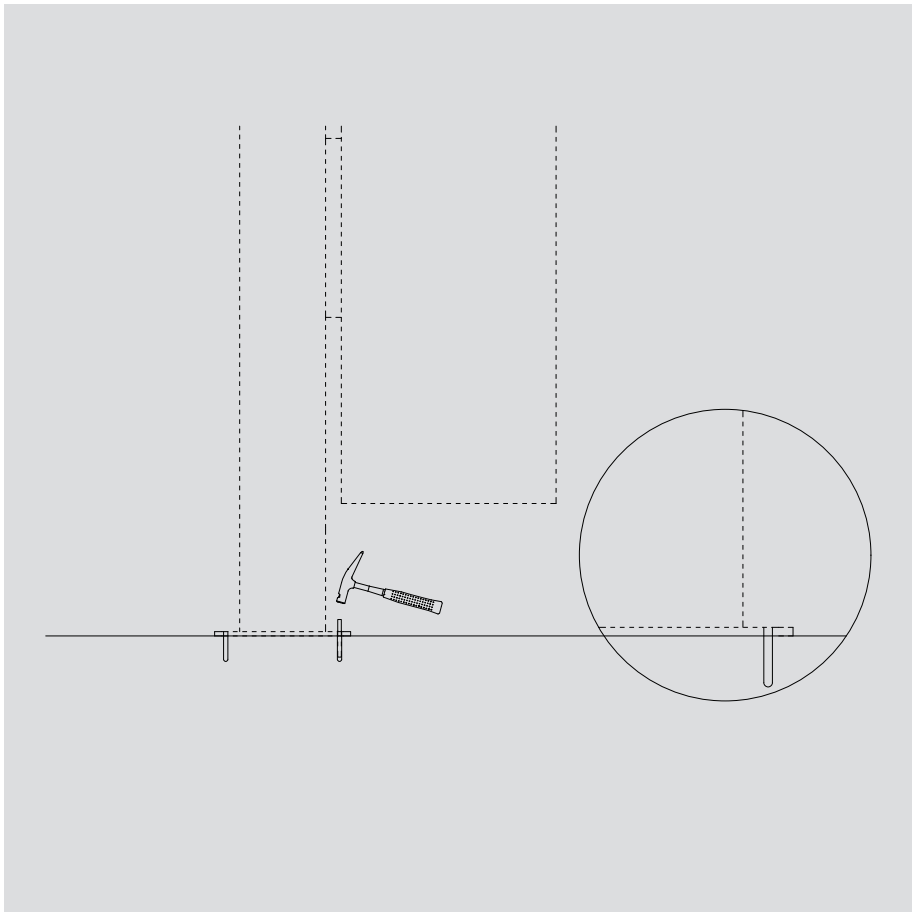

Drill holes at the marked points.

Passaggio 2

Forare i punti segnati con un trapano.
