Installation manual, light bollard with concealed flange

Manuale di installazione, paletto luminoso con flangia interna

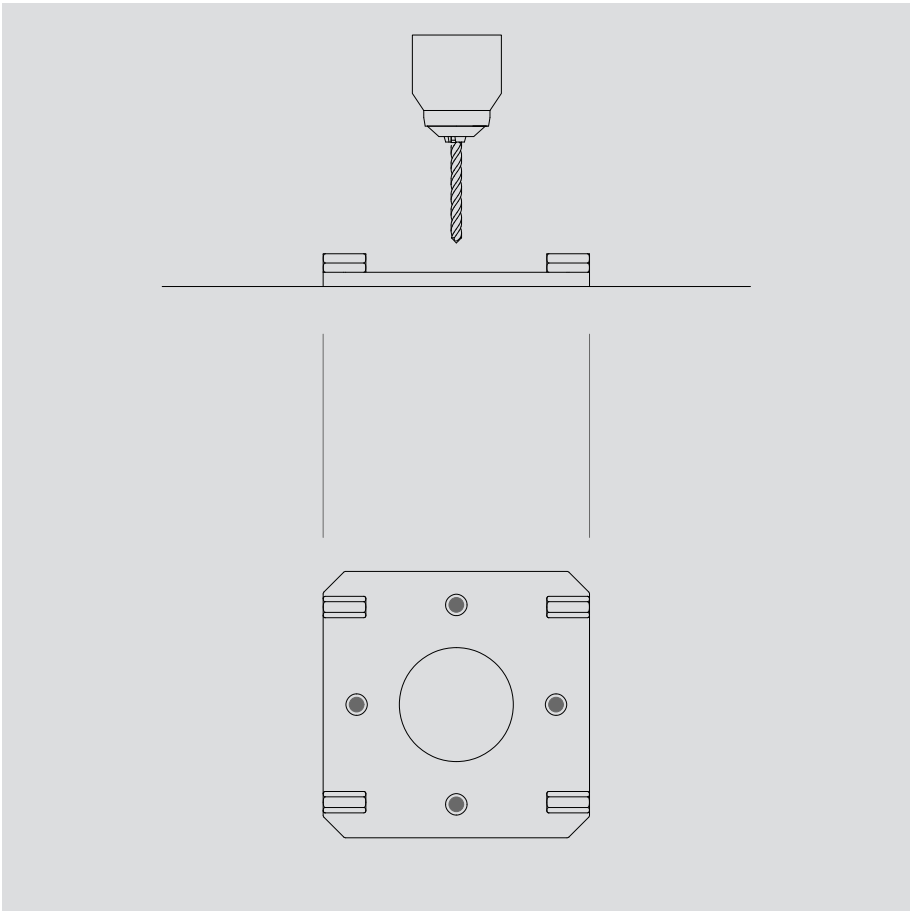

Step 1

Position the flange near the power supply, then use a pencil to mark the points where the wall plugs will be inserted.

Passaggio 1

Posizionare la flangia in prossimità dell'alimentazione, segnare con una matita i punti in cui inserire i tasselli.

Step 2

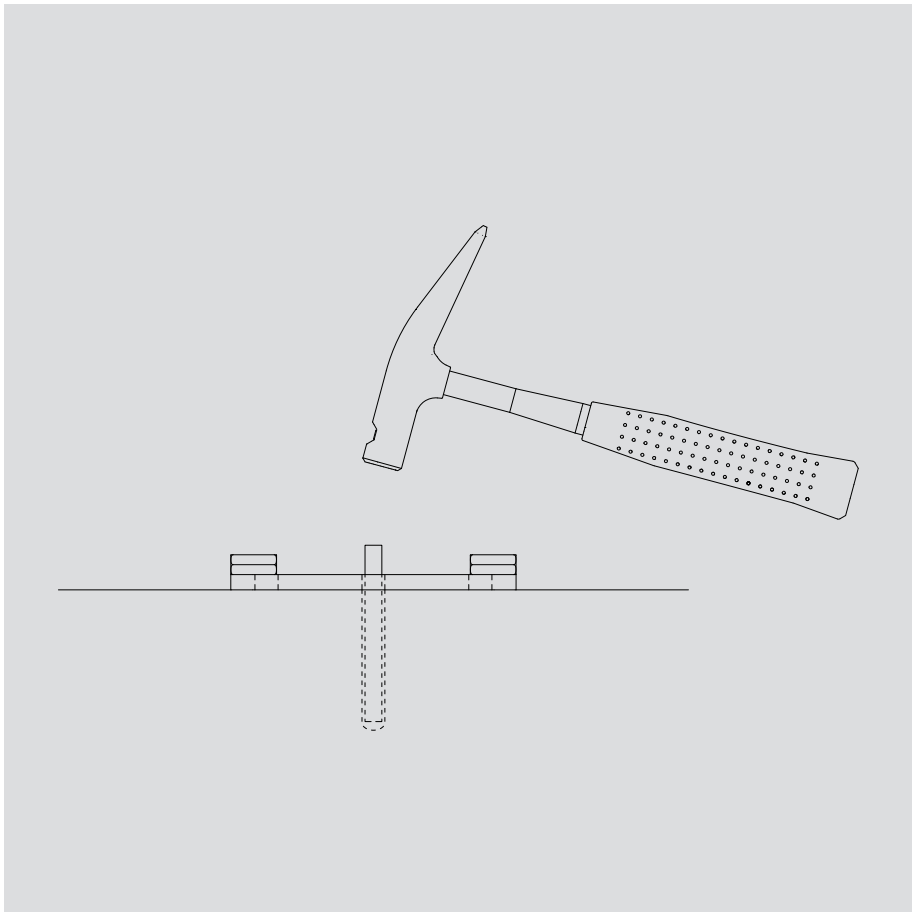

Drill holes at the marked points.

Passaggio 2

Forare i punti segnati con un trapano.

Manuale di installazione, paletto luminoso con flangia interna

Step 5

Ensure that all anchors are fully inserted and securely tightened with nuts.

Passaggio 5

Tutti i tasselli devono essere piantati e chiusi.

Step 6

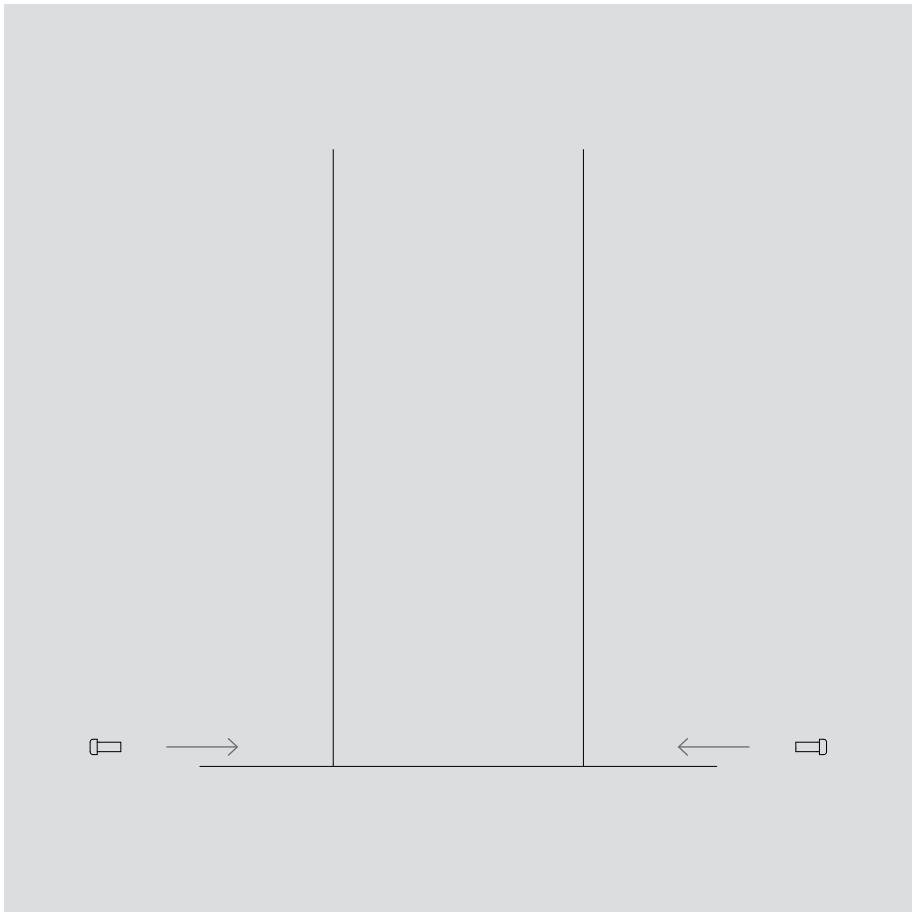

Connect the power supply.

Passaggio 6

Collegare l’alimentazione.
